

CAFE 225

California Bar & Grill

Café 225 wants to help your non-profit group reach its fundraising goals!

Café 225 is committed to helping and supporting our community. To that end, your non-profit organization is invited to host a fundraiser at our restaurant.

- Fundraisers are scheduled Mondays, Tuesdays, and Wednesdays, based on availability. Please allow up to 2 weeks for your event application to be approved prior to promoting.
- Once your event application has been approved, a personalized flyer will be emailed for you to print and distribute.
- Distribute the flyers to maximize participation. Hand out flyers to family, friends, neighbors and classmates. Post your flyers on your organizations website and include a flyer in your organizations newsletter and post them on area bulletin boards.
- Every guest who presents a flyer on your fundraising night brings you dollars closer to your goal.
- 10% of the food and beverage purchases recorded on each flyer will be donated directly to your organization.
- Okay! It is that easy! Now complete the application form, and let's get started!
